RE: June 8, 2009 IPRA Request for a Copy of Subpoenas

Dear Mr. Jennings:

I am writing this letter on behalf of Clara Mares, the Educational Retirement Board's ("ERB") Records Custodian. This letter is the ERB's response to your request dated June 11, 2009 requesting "copies of all subpoenas the Educational Retirement Board has received from the U.S. Attorney's Office." The ERB had determined that your previous request, dated May 15, 2009, for the same materials should be denied for the reasons set forth in ERB's letter of May 29, 2009. The ERB is treating your June 8, 2009 e-mail as a request that it reconsider its earlier denial. The ERB will respond to your request on June 26, 2009.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Schatzman".

Christopher G. Schatzman
General Counsel
