Re: Individual Medical Market Business

Dear Superintendent Montoya,

Please accept this letter as courtesy notification that Time Insurance Company and John Alden Life Insurance Company will no longer offer new business sales in the New Mexico individual medical expense market, including but not limited to individual short term coverage. Existing in-force blocks of individual medical coverage will remain open for renewal at this time. Plans that are considered "excepted benefits" under federal HIPAA rules are not impacted by this business change.

The last available effective date for new individual major medical coverage through our companies will be August 28, 2010, although agents are no longer able to quote new business as of July 16, 2010. The last available effective date for our short term medical coverage was May 31, 2010.

If we can provide any additional information that may be of assistance to you or your staff regarding this matter, please feel free to contact me as listed below.

Best Regards,
